

# Creating the Aging Experience of the Future

---

BY

COMMISSIONER ANTHONY 'MR. ROBOTO' NUÑEZ

CEO INF CARE

© INF CARE 2024

# My Influence Converges w/ My Passion

---

My  
Grandmother

Creating,  
Inventing and  
Solving problems

# The Problems I Set Out to Solve

---

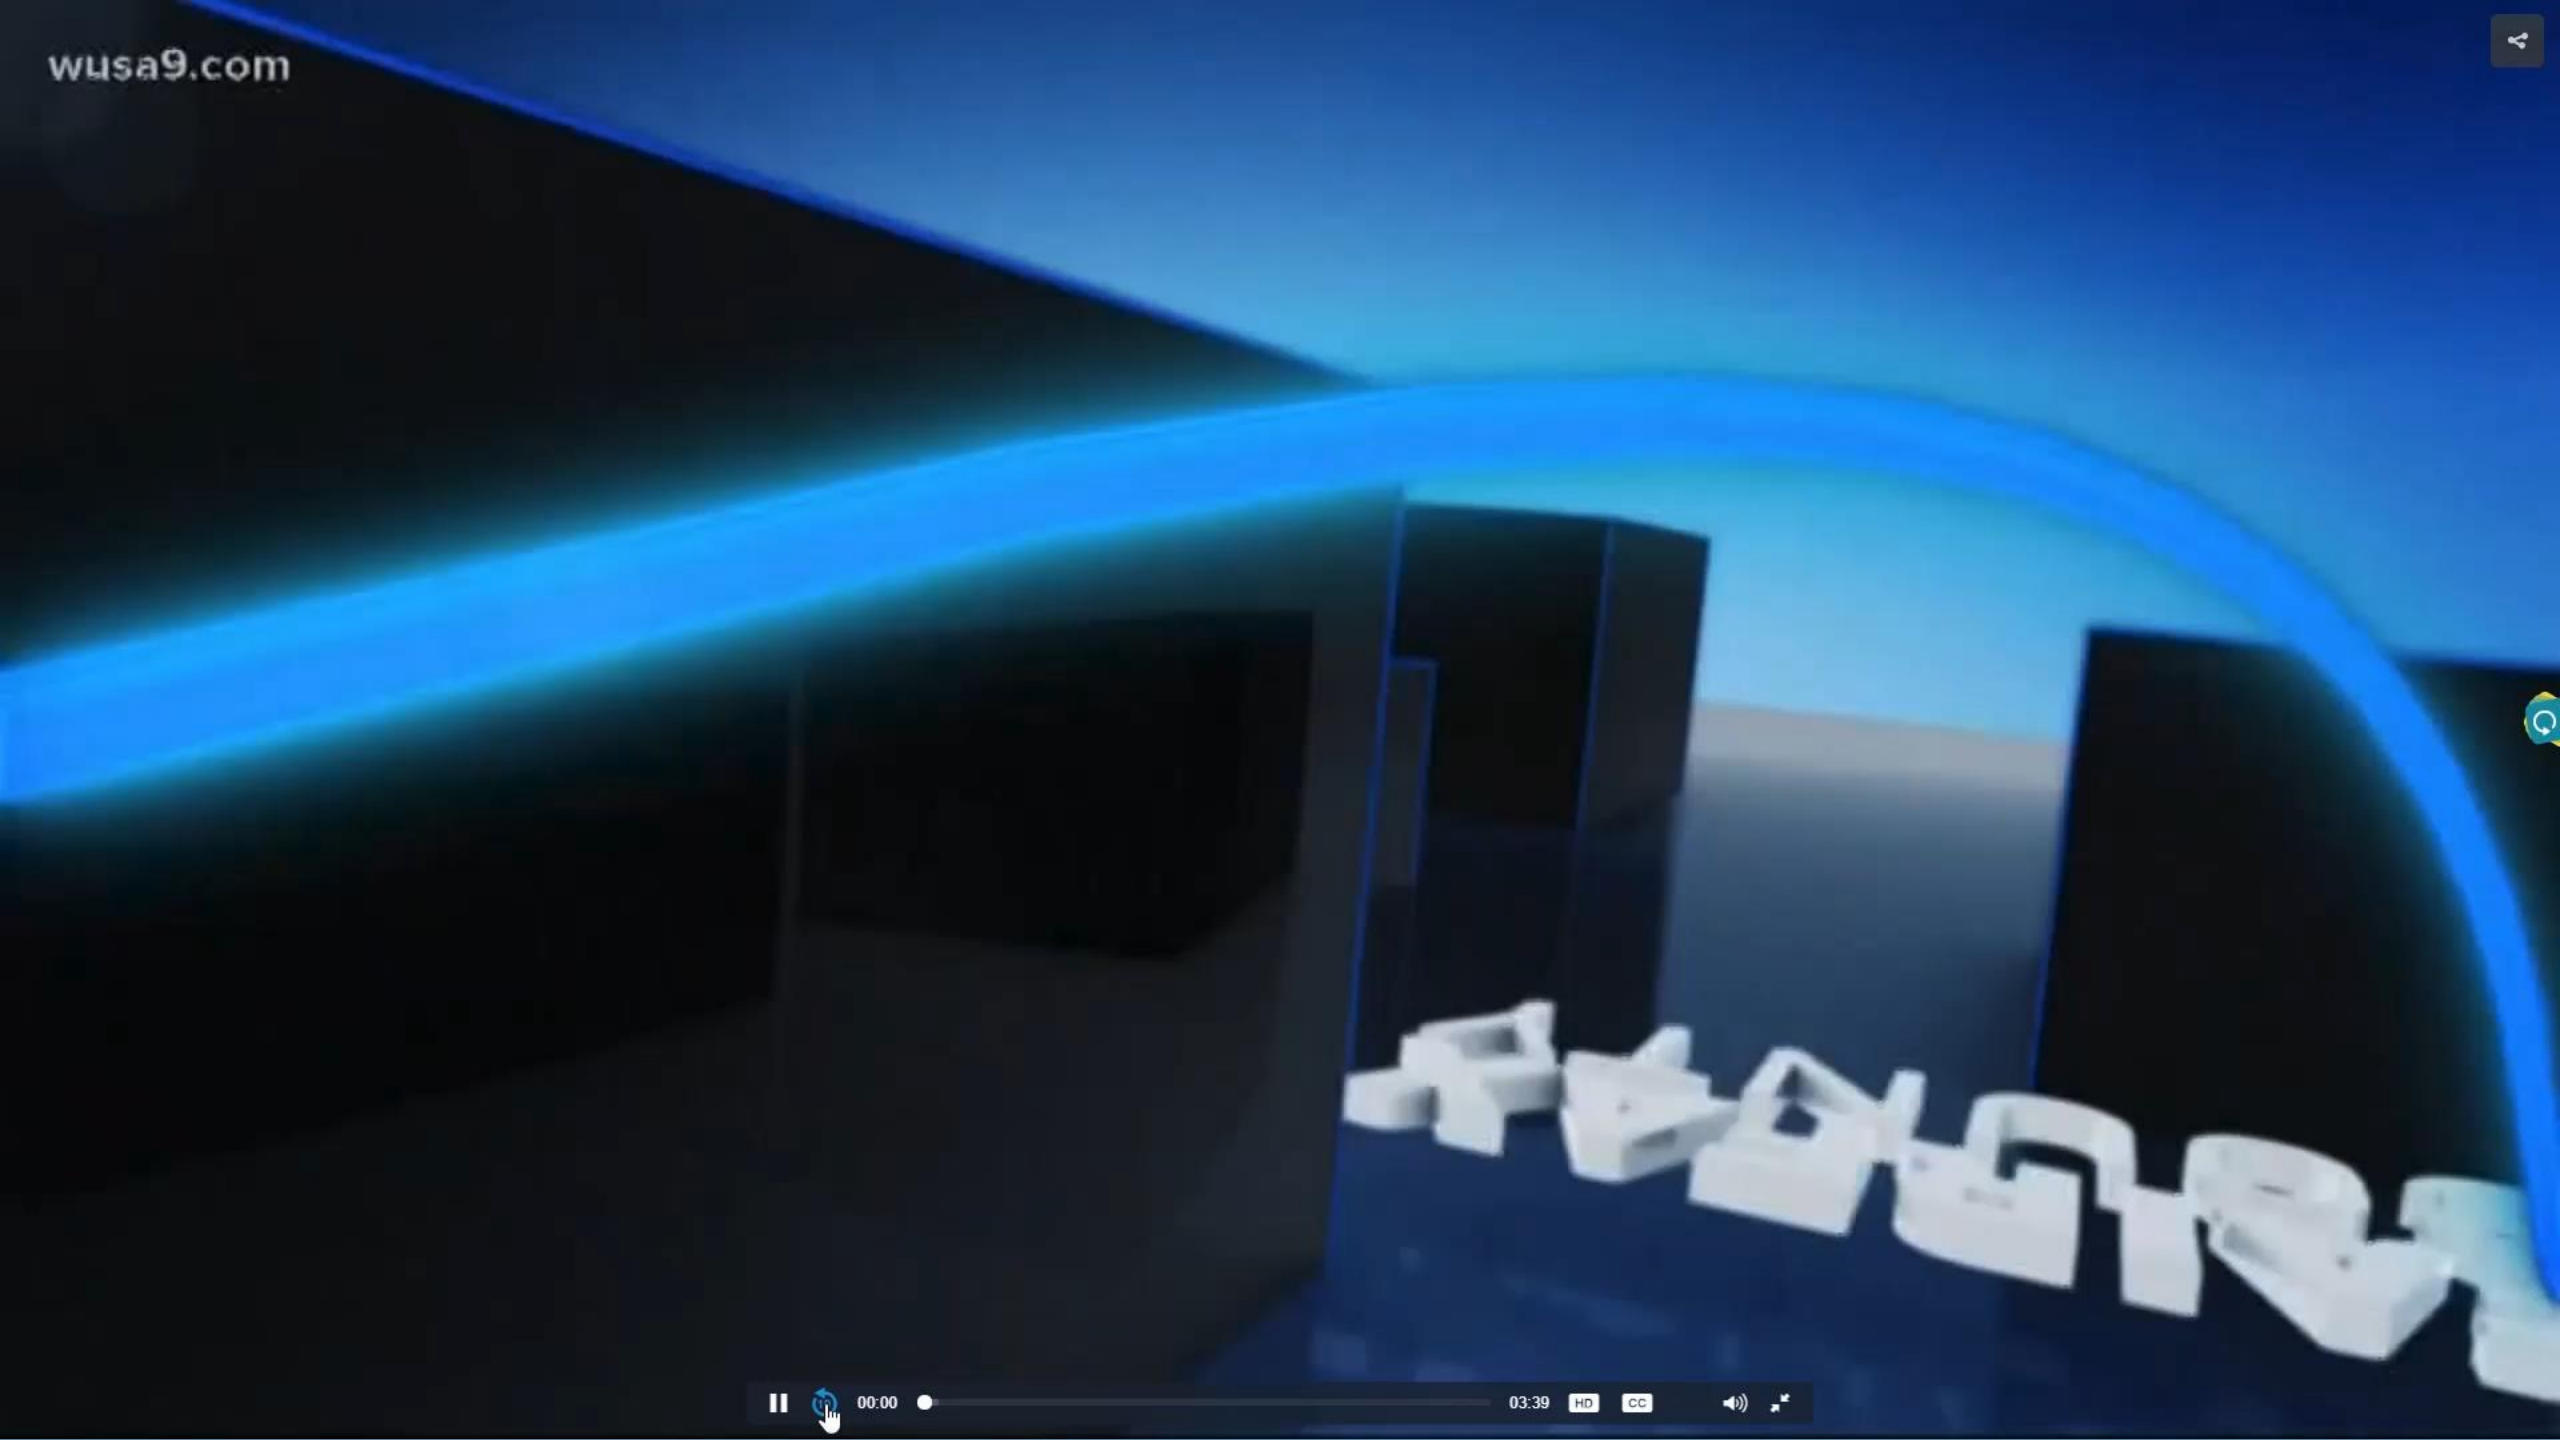

High costs of care

Reactive nature of care

Infrequency of care

# RUDY, the Robot

---

“And as the market shifts going forward, we’ll be able to adapt to that very quickly.”

Anthony Nunez, Home Health Care News, 2017

March 2020

# Validating the Pivot Away from Hardware

---

# The Wellness Concierge Service™

---

- A new service evolved from our work
- Creates the first of its kind Proactive Aging experience
- Focus areas
  - Mental wellness
  - Medication adherence
  - Understanding areas of concern early
  - Connection to live human support

# Inclusive Nurturing of Freedom (INF Care)

---

Proactive

Personalized

---
